Courtesy Bay City Times

Pictured above is the State of Minnesota Pavilion which will be moved from its site at the World's Fair in New York City to the Grayling Winter Sports Park for use as a lodge of 58 rooms. Some remodeling will take place, it is said, with some of the present panels of the building to be removed and replaced with panels containing windows.

Area Health Study Group Meets Today

Ann Arbor—The Northern Michigan Health Study task force will hold its second meeting November 11 to examine the role of local health departments serving the region.

The task force—40 citizen volunteers representing 27 counties in the northern Lower Peninsula—has invited three regional health officials to report on present activities of the local health departments.

The task force will meet at the Chief Shoppenagons Motor Hotel, Grayling.

The Northern Michigan group is one of six citizen groups formed throughout the state by the University of Michigan School of Public Health, to explore the health needs of each region.

Dr. Irwin Sweet of Gladwin, director of the District No. 7 Health Department, Mr. John Reynolds of Charlevoix, sanitarian with District No. 3 Health Department, and Mrs. Kathleen Webb of Roscommon, public health nurse at the Roscommon County Health Department, have been asked to the Nov. 11 meeting.

The U. S. Public Health Service and the W. K. Kellogg Foundation are supporting the extensive statewide study.

Crawford County Chamber of Commerce

Memo: To the People of Crawford County

From: Sam Truettner, President

Subject: Board of Directors

Besides the manager of the Chamber of Commerce, Chum Longworth and the secretary, Mrs. Marge Roper, the Board is made up of nine members that serve three year terms. The Board meets the second and fourth Thursday of each month. This year we are trying out a new time for our meetings. We meet at 12:00 noon at the different restaurants for lunch. Yes, we all pay for our own.

Our meetings last from one to two hours depending on the amount of business to be taken care of. The following members make up our Board: Bill Kraus is our vice-president and is also vice-president of the Grayling State Bank. Billie Forbes from the Forbes Motel is our treasurer. Bill Tufts from the Tufts Distributing Co., Inc., Chuck Kroll of Bear Archery, Sandy Thompson, Penrod's Cabins, John Latusek, the Penguin Inn, Don Welsor, Welsor's Motor Lodge, and Major Edmund Rutkowski from the Michigan National Guard Camp. Look the list over carefully. All of them are very busy people. Every one of them belong to one or two organizations and yet they all have time to serve free of charge on the Board. They are interested and dedicated workers for the Chamber. If they were not, they would not be there.

Legion to Host Veterans' Day Party

Grayling Legion Post 106 is holding their annual Veterans' Day Party this evening, November 11th.

All Veterans and their guests are invited to attend. Dinner will be served promptly at 7 p. m. at the Legion Hall. Make it a date to join the party tonight, Thursday, Nov.

To Explain "Medicare" on November 16

Plans for a public meeting to explain the new Health Insurance for the Aged law (popularly known as "Medicare") were announced today by E. O. Wiles, district manager for the Social Security Administration. The meeting will be held at the Grayling Elementary School at 7:30 p. m. on Tuesday, November 16. The American Legion Post No. 106 is sponsoring the meeting and Leo Lovely, service officer, is serving as local chairman.

Mr. Lovely pointed out that the meeting is scheduled so that those age 65 and over who are still working may have an opportunity to learn about the new hospital and medical insurance laws during non-working hours, but that it will be an open meeting and all interested persons are welcome. Local organizations and groups are urged to call the meeting to the attention of their members, especially those 65 and over.

Mr. Wiles emphasized that persons 65 or over do not have to be eligible for cash social security benefits to be eligible for health insurance. For this reason, all area residents who will be 65 years old before next March should enroll now. He pointed out that while the meeting is being held so that those still working may have an opportunity to enroll, any person can enroll even though he has never worked under social security and urged such persons to attend the meeting. He also noted that there is no charge for the hospital insurance, and that if the individual wishes, he may also purchase medical insurance to help pay doctor bills and other medical expenses for a \$3 monthly premium. Those wishing to have medical insurance must apply by March 31. For additional information contact Leo Lovely, service officer.

THE LODGE, when completed, will provide a dining room to seat 280 persons, a complete and modern kitchen and spacious lobby area on the ground floor. There will be two additional floors devoted to rooms for housing the youth and family groups which many times in the past have had to make accommodations in the gym at the high school.

Meanwhile work is underway on other improvements to the slopes and equipment. Six fine new slopes designed for beginners and intermediate skiers have been cleared. Two completely new rope tows are being installed. One will replace the old unit which has served so many years on the No. 1 slope. Another new three stage tow unit will serve the new slope area.

Foundations have been laid and towers are being erected for the ski-bar tow which will carry skiers from the present warming lodge to the crest of the hill between No. 1 and No. 3 rope tows.

Snow making equipment is en route to Grayling now and will be installed later this month. The present warming lodge is ready for the winter opening. All floors repainted, new benches added and tables brought in again through the courtesy of the Conservation Department.

Some 26 new lockers will be available for ski storage. Anyone interested should contact the park office now.

The meetings of the Board of Directors of the Grayling Sports Park are usually held work sessions handling the increasing flow of work in connection with the development of the year-round recreation facilities at the Park. However, last Saturday night the Board and their wives and husbands held a purely social meeting at the park featuring a potluck supper.

CANDLE lighted tables and a blazing fireplace provided a cheerful atmosphere for the occasion (Continued on Page Ten)

City Police Issue Two Traffic Tickets

A summons was issued to Jay O. Mathews, 17, of Grayling, by Grayling City Police, the charge being speeding, on November 2. Patrick E. Johnson, 17, of Grayling, was given two summonses.

Junior Play Ticket Drive Scheduled

On Tuesday, November 16, the Grayling High School Junior Class will conduct a house-to-house canvass of the community, selling tickets to their play, "The Trail of the Lonesome Pine." The drive will begin at 7:00 p. m. Libby Kipp is chairman for the drive. All Juniors are expected to participate in the program. A few tickets will be reserved for sale at the box office before the play, Nov. 19 and 20. The public is urged to get tickets on Tuesday evening.

Announce Red Cross Changes

Two changes in personnel of the Crawford County Red Cross Chapter have been announced by the county chairman, Mrs. Derek McEvers. Mrs. A. J. Sorverson is now in charge of the Loan Closet replacing Richard Lovely who has resigned after a service of many years.

Anyone wishing to have items from the Loan Closet from now on are requested to phone Mrs. Sorverson at 348-3671. Mrs. Leo Jorgenson who is in charge of Home Service has left for the south for the winter months. She will be replaced by Mrs. Johanna Gorman, R.N. during this time. Any person needing emergency service of military calls are requested to contact Mrs. Gorman, 348-4911 or 348-4912.

In a news story on college blood collections released Tuesday night, Oct. 26th, the Defense Department said:

"In response to offers from college and university students throughout the country to donate blood as a gesture of support of U. S. efforts in Vietnam, Department of Defense has asked the American Red Cross to make the necessary arrangements to collect blood. The American Red Cross is the agency designated to collect blood for the nation's defense whenever necessary.

"First collection will take place early next month at the University of Illinois, Champaign-Urbana, where 2,000 student volunteer donors have enrolled to give blood.

"Plans are being made for American Red Cross bloodmobiles to visit other colleges and universities where students have indicated a desire to donate blood.

"There are no emergency requirements for blood in Vietnam from the United States at the present time. The Department of Defense will use this blood for current requirements within the United States including fractionation to prevent hepatitis and to treat servicemen for shock."

The American Red Cross said today it has no connection with efforts being made in this country to collect blood, funds, or other relief supplies for Viet Cong or North Vietnam. "We wish to make it clear that the American Red Cross is in no way connected with relief activities of this type, nor are we associated in any manner with student or other groups which may be engaged in aid programs for North Vietnam or Viet Cong," an American Red Cross official said.

HOWEVER, the American Red Cross is presently working with many student groups which have expressed a desire to give blood and provide other services in support of United States efforts in South Vietnam, and arrangements are now being made to send American Red Cross bloodmobiles to college and university campuses where student leaders are recruiting volunteer blood donors.

Kiwanis Club Notes

By Wes LaGrow

This week's meeting of the Kiwanis Club of Grayling was held on Monday evening at the Chief Shoppenagons Motor Hotel. The announcement was made that the meeting on December 6th would be held at the Lone Pine Inn and that the meeting on November 29 would be a "Flowers to the Living" program and would be held at the hotel starting at 6:30 p. m.

The club also wishes to extend its sincere thanks to all of the students who aided in the "Merlin" show which the club sponsored. Without the help of these students, the club acknowledges, the program would not have been so good.

The program at the Monday night meeting consisted of the induction of four new members into the club. They were: John W. Matthews whose history was given by John Latusek; Charles F. Fleck whose history was read by Lorne Douglas; William B. Scheer whose history was related by Arnold Mauren and Lon E. Post whose history was given by Earl Burns. Past I.A. Governor Burns acted as installing officer.

Whittell seems to be in good supply throughout the county with hot spots still in high country where a plentiful supply of acorns make easy feeding. Let's hope for snow for good trapping.

Gaylord Wins Title

Vikings End Season With Tie

The Gaylord Blue Devils who defeated Grayling 12 to 0 won the Northern Class C Conference football title with a 19 to 7 victory over the Pellston Hornets with a big assist from the Harbor Springs who dropped Charlevoix 21 to 20 last Friday night.

While the Blue Devils were wrapping up the title in a very close grid race, the Grayling Vikings battled the East Jordan Red Devils to a 6 all tie at East Jordan and Boyne City closed out with a 19 to 2 win over hapless Mancelona.

The Vikings got off on the wrong foot right off the bat at East Jordan Friday night. After kicking off to the Red Devils, the Grayling defense took the fake on a reverse and an East Jordan back went 90 yards to score. They tried to run in the extra point but Paul King put the stopper on the runner. East Jordan led 6 to 0.

After getting the kickoff, on the first play from scrimmage Dave Bailey beat his man but a pass to him was underthrown by about 10 yards and East Jordan picked it off. Grayling held the Red Devils well and they were not able to run against the Viking defense. Steve Englund came up with 9 unassisted tackles and was named Grayling's outstanding player. He also blocked very well on offense.

Three Viking starters set out the game, Mike Corlew with a leg injury, Bob Jackson with a broken hand and Mike Gorman with an ankle injury. Later in the first period, Barry Holmes threw his second touchdown pass of the season, he had one against Charlevoix. Dave Bailey gathered in the ball for the score with the play covering 55 yards. The attempted kick for extra point was blocked.

The remainder of the game was played in East Jordan territory but the Vikings were unable to push over another counter. Five times they penetrated to the Red Devil 20. Once they were stopped by a fumble, another time they stalled and three times penalties broke the back of the drive. Dave Nethers intercepted a pass, Howard Madison recovered two fumbles and Bill Kraus and Englund one each.

Viking coach Mike Wieland stated that East Jordan showed the poorest sportsmanship of any team met this season. They constantly kicked, elbowed and pounded the Vikings and were never called for a penalty. They were only warned, the coach said. He reported that some of the officials were related to some East Jordan players.

Last Saturday, 45 varsity and junior varsity players were taken by school bus to the Central Michigan-Eastern Illinois game at Mt. Pleasant. On Wednesday evening, November 17, the football banquet will be held at the school. Varsity, Junior varsity players, their parents and the cheerleaders will be honored. Mrs. John Compton and her homemaker class are setting up the dinner which will be a potluck. Parents will be asked to bring a dish to pass. Following the meal, the program will feature the Head Football Coach of Alma College.

WITH the season over and the football tugs stored away and basketball practice getting underway this week on Monday, Coach Wieland expressed his thanks for the support given the team and himself in his first year of coaching the Vikings. He said that both himself and the seven starters returning were looking forward to the 1966 season. These seven starters plus backs Paul King and Dave Bailey should give Grayling one of the strong teams next fall in the NCCC.

Pamela Susan Smith

Pamela Susan Smith is the daughter of Mr. and Mrs. Richard Good of Grayling, and was 17 on November 3rd. Pamela is a senior at Grayling High School where she has been a cheerleader for two years and a member of the Glee Club for four years. She has also been a member of the Student Council for two years, has been in the Junior Class Play, and is presently Social Editor of the school newspaper. Pamela's interests include canoeing, swimming, listening to records, horseback riding and any and all school activities. Pamela loves the outdoors and finds special interest in the different types of people she meets.

PLEASE remember that November 15th is the deadline for official entry in the 1966 Miss Grayling Pageant. Official entry blanks are available until November 15th, at the Grayling Regional Chamber of Commerce office in the Grayling City Hall or Mrs. Ray Eisey, Grayling Pharmacy. Entry blanks must be returned by November 15th. Watch this spot next week for more news.

MRS. C. R. KEYPORT SUCCEDES NOV. 7th

Mrs. Claude R. Keyport passed away at Grayling Mercy Hospital Sunday night, November 7, 1965 after an illness of several weeks. She had been in failing health for over a year, but had spent the summer months at her cottage on Lake Margrethe as was her custom each year for almost forty years.

The former Nora Belle Walton was born in Bay City, January 5, 1885, the daughter of Frank and Bell Walton. Her mother died when Nora was very young and she had most of the responsibility of bringing up her younger sister, Ann, who predeceased her in death one year ago. Her father was prosecuting attorney for the city of Grayling for a period of about five years at one time. Miss Walton became an employee of the Federal Casualty Company in Bay City after completing her schooling, and transferred to Detroit when the company moved there. She was married September 6, 1911 in the First Presbyterian Church of Detroit to Dr. Claude R. Keyport, and accompanied him here immediately afterwards, the couple first occupying the former Frank Phelps home on Chestnut Street. Her husband developed the Keyport Clinic during his forty-five years of practice in Grayling, and achieved statewide acclaim in his profession. He was also one of the city's foremost civic leaders. His career came to an end on March 17, 1955. During all these years Mrs. Keyport's main interest was her family. She was a member of the Michigan Memorial Methodist church. Survivors are her daughter, Mrs. Robert M. (Jayne) Hayes, and a granddaughter, Mrs. Jack (Susan) Welch, of Central Michigan University. Mr. Pleasant, who came to be at her grandmother's bedside the past weekend.

Funeral services were to be held this Wednesday, November 10, at two o'clock from the Michigan Memorial Methodist Church. The Reverend John W. Smith was to officiate. Mrs. Keyport was to be entombed in the Oakwood Mausoleum in Saginaw.

Memorial donations may be made to Grayling Mercy Hospital in Mrs. Keyport's name in lieu of flowers.

ATTENTION!

The Juniors of Frederic High School are taking orders and the money for the annual yearbook. The price is \$3.50 if anyone would like to order one.

Bloodmobile To Visit Dec. 2nd

Counties Receive Money from US Forest Service Lands

Annually, 25 percent of the gross income from forest service lands in each county is returned to that county. This money is derived from the sale of timber and permit fees charged for special uses of national forest lands.

This year a total of \$56,162.73 was returned to the counties. This money is spent on county roads and schools. In addition, the Forest Service will spend an additional ten percent of gross income on National Forest Roads (\$22,465).

The Forest Service also contributes in many ways to the betterment of the land area and its people. National Forests demonstrate the value of scientific conservation practices that are being applied to land that was once logged over, burned over, tax delinquent wasteland. People are employed and permanent improvements are constantly being made in the National Forests.

October Building Permits

Building permits were issued in October to the Jim Chews for a new home in Nelson Acres subdivision, to Rex McMillen for a garage and siding, in Babbitt's subdivision, to Mr. Hanna for a new home in Shangi La subdivision, to Sam Bailey for a home at the corner of M-93 and M-72, to Richard Williams for a garage in Highland Acres, to Byron Randolph for a building in Section 1, T 26 R3, to Carl Leslie for a building at Lake Margrethe near Camp Grayling.

To Clarence Holcomb for a building and garage in Sec. 8, T26 R3, also for a house on lot 18 in Grayling Manor subdivision, one on lot 11, Grayling Manor, also on lot 4 and lot 23 both in Grayling Manor, to Tom DeWitt, Roscommon for a building in Pinecrest subdivision on lot 14, also for one on lot 16, to James Wakeley for a building at Wakeley Bridge, to John Dickinson for a new building on Section 16, T26 R2, to Bernard Fowler for an addition at Edgewater.

Permits were issued to Leon Rochette at 510 Cedar for replacing windows, to Dan Snider, 505 Erie, for remodeling and repairing porch deck, to Howard Santure, 709 Elm, for a tool shed, to LeRoy Akers, 805 Plum, to frame in porch, also for moving garage, to Aaron Gottlob, Gaylord, for a building at 701 Ingham, to Gertrude Wakeley, for a garage at 608 Clyde.

Thousands of people each year use the forest for many purposes: To hunt, fish, take color tours, pick berries or mushrooms, ski, swim, vacation, and relax. This brings vacation dollars to the local businessmen.

All forest lands—public and private—are protected from forest fires within the fire protection boundary. The forests are also protected from insects and disease.

Distribution of the 25 percent fund is based on the proportionate share of the National Forest land. Crawford County has 45,574 acres in the Huron National Forest. The amount for the county in 1964 was \$2,857.66. To date, \$52,415.39 has been returned to the county from the fund.

Get Chest X-Ray At Gaylord Chest Clinic

It won't be long and the winter winds will be blowing and snow banks will grow by leaps and bounds. But, before the season gets too severe, many northern Mich. residents will be on their way south to spend the next few months a little closer to the sun.

As always, a list is made to make sure everything is packed or attended to: Tires checked, doors and windows locked, don't forget chest x-ray!

Yes, that chest x-ray is a must this year. The Gaylord Chest Clinic, located in the Gaylord State Home, is open the second and fourth Wednesdays of each month from 1 p. m. to 4 p. m. This Clinic is a free service, provided by the state in its fight to help control tuberculosis. The only requirement to get a chest x-ray is to have a signed requisition from either your local health department or your family doctor.

The findings reported to your health department or your doctor not only include tuberculosis, but any other respiratory diseases noted. So, please, don't forget to add "chest x-ray" to your list!

Convert your home or business to economical Natural Gas heat today and pay nothing until July 1, 1966.

Convert now to Gas heat and Michigan Consolidated Gas Company will buy your unused oil or coal—even remove your oil tank—all at no cost to you. What's more, whether you convert your present furnace, or even install a new Gas furnace, we'll pay the bill. And all you pay us, between now and next July, is for the Gas you'll use to make this your most comfortable winter ever. Here's how this special limited-time offer works:

1. If you're now heating with oil, we'll buy what's left in your storage tank—at the price you paid for it. What's more, we'll remove your tank from your home or business and even haul it away if you want. All at no cost to you.

2. If you're now heating with coal, we'll take what coal you have on hand, off your hands. And pay you whatever it cost you originally.

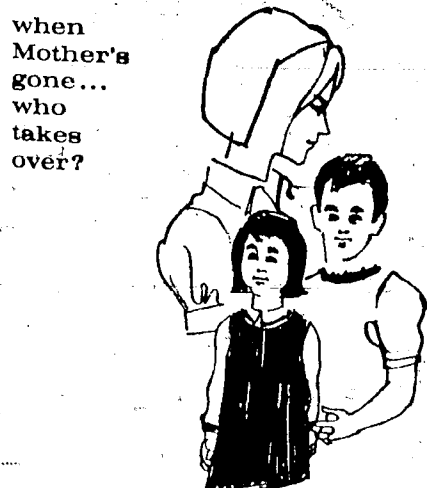

3. Whether you convert your present furnace, or even install a new Gas furnace, we'll pay for it and its installation by a qualified heating contractor, and it won't cost you a penny until next July. You can pay for the unit and its installation on July 1, 1966 with no carrying charge whatsoever. Or if you prefer you can

make equal monthly payments including carrying charges on your Gas bill over a period of up to three years after July 1, 1966. Either way, there are no carrying charges between now and next July, and you need make no payments between now and next July. If you live in the areas we serve in the counties listed below, you're entitled to take advantage of this special limited-time offer. So act now. Call your heating contractor or Michigan Consolidated Gas Company office today for details. Your local Michigan Consolidated office number is 348-6581 in Grayling.

The Harold Longdykes enjoyed another great weekend at the Hideout. The weatherman has been dishing out some wonderful weekends for those who have been traveling north. Mr. and Mrs. Oliver Kieffer of Lake Penton were guests of Hideout owners. Mr. and Mrs. Jack Fesenmeyer were guests of Gus Middleton; all these mentioned people have been friends for many a year and were most elated and surprised to find each other in the north woods on the same weekend and to top it off they arrived within ten minutes of each other, this with no plans made is just plain Hudini work. The weekend was spent catching up on the latest, dining graciously on chicken and steaks and of covering the woods, sometimes on foot to work up an appetite. Audrey's pot of Chili never had a chance to cool.

Among the successful bow and arrow hunters to get a deer are Bob Smock, Chuck Kroll, Bob Kelly, and Don Stough.

Mrs. Irma Douglas of Lansing returned home Tuesday after visiting her grandson Lon Post and family for a week.

Grayling O.E.S. Hosts School of Instruction

Mrs. Alice Vollink, Worthy Grand Matron of Michigan's Order of Eastern Stars, conducted the School of Instruction for Grayling Chapter No. 83 and Fidelity Chapter of Roscommon, held at Grayling on Tuesday, Nov. 2nd. It was the first time in the 75-year history of the local chapter that the Worthy Grand Matron conducted the school here.

Accompanying Mrs. Vollink were three grand officers, Mrs. Isabelle Gille, Grand Marshal, Mrs. Alexandra Alexander, Grand Adah and Mrs. Verna Perry, Grand Warder. These grand officers were guests of Grayling Chapter at a dinner held prior to the school at Wert's Lone Pine Inn with thirty members of the two chapters in attendance.

Participating in the school were eleven officers from Roscommon and eighteen from the local chapter. In addition guests were present from several other chapters in the area.

The temple dining room was appropriately decorated for the occasion with miniature slates, open books and lovely flowers. The refreshment committee included Mrs. Roberta Wright, chairman, Lillian Houghton, Mary Jean Welch, Phyllis Thompson and Bernice Smith.

The regular meeting of Grayling Chapter No. 83 was held on Wednesday evening, Nov. 3rd. This meeting officially marked the beginning of the 75th year of the chapter. For the occasion all lady officers appeared in colorful calico and gingham gowns depicting the fashions of 1890. The idea originated with the Worthy Matron Dorothy Williamson when she began planning for the 75th birthday of the local chapter. Officers are expected to continue wearing these old-fashioned gowns throughout the year.

Business Ed. Teacher Attends Conference

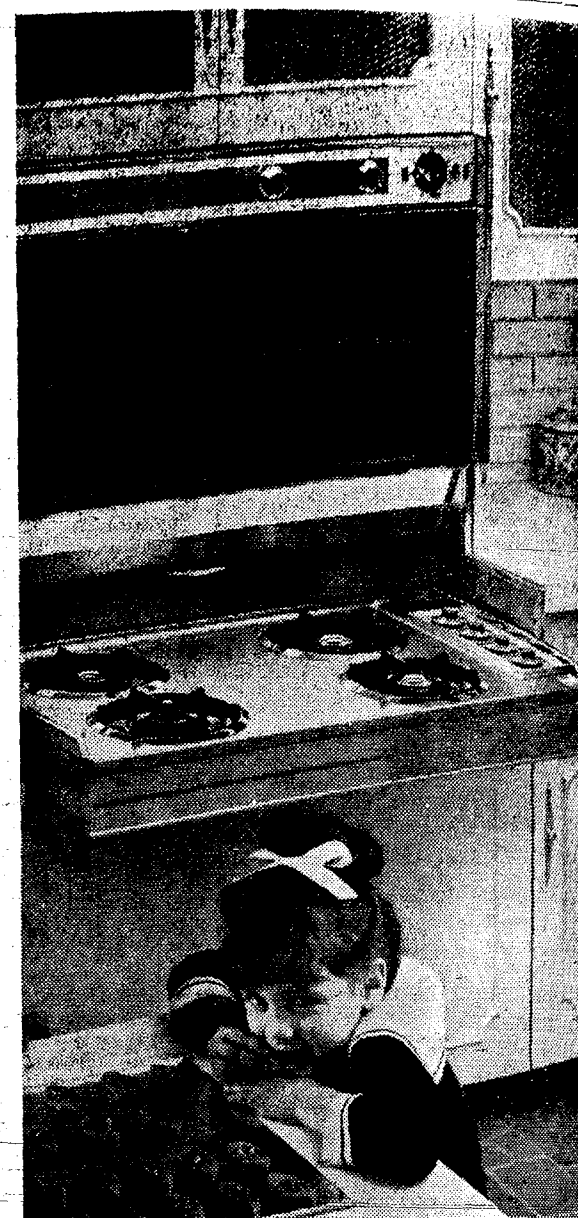

Ferris State College, Big Rapids, was host to the Thirteenth Annual Northeastern Michigan Business Education Conference Saturday, November 6. Earl Gierke, business education instructor of the Grayling High School staff attended the all-day sessions. The theme of the conference was "New Concepts in Business Education." Dr. Donald Beattie, Dean of the School of Business and Economics, Wisconsin State University, Whitewater, Wis., addressed the group on "High School Pupils' Information and Attitudes Toward Personal Finance." Dr. Alan C. Lloyd, Editor, Gregg Division, McGraw-Hill Book Company, New York, demonstrated accuracy and speed techniques in a typing class selected from the audience.

Demonstrations in utilizing the electronic shorthand and office machines laboratories were given by Dr. Marian Collins of the Ferris State staff.

4-H NEWS

The 4-H group of arts and crafts met at the James Duley home for its first meeting on Oct. 15th. The group leaders are Mrs. James Duley and Mrs. Robert Holzman. The girls chose "The Belles of St. Mary's" for their club name. They

also chose Diane Duley for president, Cheryl Bourrie for vice-president, Gail Goss for treasurer, Julie Gohnick for secretary. On Oct. 29th the girls had a Halloween party and made pan scrabbers. The following week the group made bathroom tissue holders. Julie Gohnick, sec'y.

"Yes Men" Not Wanted...

There is a feeling in some quarters that this nation's doctors, whose principal organization is the American Medical Association, take an "agin attitude" toward just about every proposal for dealing with medical problems and issues.

This feeling was advanced when the AMA stoutly opposed the medicare bill, which is now law. And it may be further advanced because of the AMA's opposition to the establishment of a series of regional medical complexes to deal with certain of the major diseases, as proposed by a presidential commission.

Yet this feeling, if it does exist on anything like a widespread scale, is both wrong and dangerous. It is based on suppositions without foundation in fact.

The AMA opposed medicare — just as it opposes the medical complex idea — for just one reason. That reason is that the great bulk of its members were and are convinced that these measures are not in the best interests of the ill or the medically needy. It believes, and most strongly, that these interests will be damaged, not advanced.

This brings up a very important point made by Representative Harvey of Michigan. Speaking to the president of the AMA, while testimony was being taken by a House committee on the regional complex proposal, he said: "I can't help but think that certainly the easy way for the medical association and yourself would have been simply to have agreed with the President's Commission. . . . Certainly, we in this country don't want our medical profession to be composed of yes men. I don't think we have obtained the finest medical profession in the world because you have been yes men but because of the reverse. They have always had the courage to come in and express their views."

It is the duty of the medical profession to oppose what it is convinced is wrong and to stand up for what it is convinced is right. And that is what it is doing.

Crawford County goes over the top again in the scrap drive closed last week. Harold MacNeven, chairman of the scrap committee and his assistant Charles Meisel report an accumulation of 262 tons gathered in two days. This makes an average in the county of 219 pounds per person for our population of 3,300. It was a great feat in which the schools played a large part. Nearly every home had been ransacked and when the youngsters arrived large heaps of metals and other valuable scrap were there awaiting them. What couldn't be carried away was left in piles to be called for by trucks later. City-owned trucks and those of the Grayling Lumber Co. were donated for the purpose and starting from small beginnings the piles grew until they were small mountains. The school boys and girls worked like beavers and the success of the drive is due in no small part to them.

Of interest to many of our readers in this part of the state will be the news of the passing of John B. Redhead, in his eighty-ninth year, on October 28th at the home of a daughter in California.

When the first traders came into the AuSable and Manistee Valleys, they used these rivers as highways. With a short portage between the AuSable and Portage Lake, better known now as Lake Margrethe, they could cross Michigan with ease. In those days it must have been a glorious trip, virgin timber, the forest teeming with wild game, the rivers and lakes full of fish, all of it unspoiled by man. One of the greatest stands of pines in the world grew in lower peninsula. Lumber men thought it would last forever, but within 40 years it was cut. They also used these streams as highways, they moved supplies down them and drove their logs down them to the mills. After the last drive battered its way down stream the banks were scarred and battered from logs and floods, forest fires ran uncontrolled causing a quick run-off of water in the spring and low water in summer. Memories of the once great forests were still clinging to the people who lived here so they began thinking of conservation, reforestation and fire control. Trees were planted everyone began trying to control forest fires, hatcheries began springing up here and there. Fishing was good on the AuSable and the fame of the AuSable spread until it was the best known trout stream in the United States. A vast cloak of second growth covered the once barren slopes making ideal game cover, stabilizing the flow of water and greatly increasing the value of the valleys as a recreation center. It would not take very many dams to ruin the AuSable as a trout stream. During the times the banks of our streams were barren we have seen hundreds of trout gathered around springs refusing to be driven more than a few feet from its cold flow. When you stop the free flow of water in a stream you create a sand trap as far as the quiet water reaches, this begins to collect sand and muck, shallowing the water and giving the sun a chance to warm it up. I think the facts I have stated

should prove the AuSable is really a highway and should not be obstructed unless the whole community benefits by it. Your Neighbor, Earl Madsen.

Miss Irene Pynnomen of C. M. C. E. and her brother Simm passed through Grayling Friday en route to their home in Lewiston for the weekend.

Scarcity of labor slows up progress at the airport. Attractive overtime rates fail to stimulate workers. However the construction work is going at a fairly good pace.

Mrs. Jack Wade of Detroit spent the weekend in Grayling to close her home at Lake Margrethe for the winter.

Lester Brownly and friend of Flint stopped at the home of Mr. and Mrs. Lon Heath Saturday en route further north hunting.

Mrs. Marie Kristofferson left Sunday for Mason where she will remain with her son Age and family until after Christmas.

Mrs. William Blanchard and daughter Ginger, returned to their home in Flint Sunday after a two weeks visit with her parents, Mr. and Mrs. Dan Hoesli.

Mr. and Mrs. Homer Annis and daughters Myra and Della of Beaver Creek spent Saturday and Sunday in Midland visiting their son Francis who is employed there.

Their daughter, Louise, who has finished her college course and has a position in Grand Rapids joined them, and they had a very enjoyable weekend.

Jack Hull left Wednesday night for the Merchant Marines. Jean and Jack Rasmussen twins, celebrated their 13th birthday on Tuesday by having a few of their friends in after school.

The boys and girls of the Standard School at Beaver Creek are now enjoying an hour of church school every Friday afternoon. Rev. and Mrs. F. D. Barnes are the leaders and the children find the lessons very interesting.

Dan Babbitt reports the capture of an opossum. It is quite unusual to find an opossum this far north. Dan said something had carried away one of their hens so he set a trap for the thief.

Mrs. Roy Warner had a delicious chicken supper to welcome her daughter (Martha) and husband, Mr. and Mrs. Clinton Bancroft and little 3 year old son, Donald of Mt. Clemens Sunday. The family remained until Monday.

Mrs. David Montour was guest of honor at a lovely party given

Thursday afternoon by St. Mary's Altar society at the home of her sister, Mrs. Henry Bousson. It was a complete surprise to her. One of the most ardent workers of St. Mary's Church Mrs. Montour is away from Grayling indefinitely and is being missed very much by the Altar society members. She was presented with two gifts, one from the society and one from the parish.

Aviation cadet William Owen Bolinger, son of Mr. and Mrs. W. J. Bolinger, graduated Oct. 31st from Primary Flying School at the Seventh Army Air Forces Flying training detachment in Oxnard, Calif. He will proceed to a basic flying school to continue his training. While training Cadet Bolinger received a gold star award in flying.

A postal card from Lieut. Farnham Matson says he is quartered at Fort Myer, Va., but is moving closer to his present assignment at Washington. Also he is finding army life a good experience, so far, and now becoming routine. Assignments, he says, are yet indefinite so only time will tell what to expect.

Mr. and Mrs. Jesse Warner are entertaining the former's father from Ypsilanti, who is here to get his deer.

4-H HALLOWE'EN PARTY

The 4-H Beaver Knitting Club held its Halloween party Saturday, October 30. We spent the first half hour on our knitting and the remainder of the afternoon playing games and eating the goodies we had brought. Everyone was in costume and we bobbed for apples and unscrambled traditional Halloween words. Susie Kersch was our guest. We welcomed another new member, Carol Bloos, and thank her for acting as secretary in Betty's absence.

RENAUD - ISENHAUER VOWS EXCHANGED

The marriage vows of Miss Constance L. Renaud and Mr. Walt L. Isenbauer were exchanged at seven o'clock Saturday evening, October 30, 1965 at the Mt. Hope Lutheran Church. The double-ring ceremony was performed by the Reverend Donald R. Boyer before one hundred guests. Candle-light and white chrysanthemums and carnations formed the setting for the happy occasion.

The former Miss Renaud is the daughter of Mr. and Mrs. Joseph A. Renaud of 608 Chestnut Street, and Mr. Isenbauer is the son of the late Leo Isenbauer and Mrs. Isenbauer.

The bride chose for her wedding a chapel length gown of silk organza styled with a scoop neckline and elbow-length sleeves. The fitted bodice and controlled bell skirt were accented with rose motifs trimmed with seed pearls. A double crown of seed pearls and crystals secured her elbow length veil of English illusion. Her flowers were a cascade of red roses and white carnations.

The bride's attendants were Miss Janice Gorney, maid of honor, Sheron Nelson and Irene Pettyjohn, sisters of the bride, both living in Grand Rapids. They were attired alike in empire style gowns of sage green velvet and vanilla crepe, with scoop necklines and elbow length sleeves, the high waist accented with a band of Venice lace. They wore sage green velvet roses to hold circular short veils. Miss Gorney carried a colonial bouquet of yellow and white chrysanthemums, Mrs. Nelson and Mrs. Pettyjohn rust and yellow chrysanthemums also in colonial bouquets.

Serving as best man for his brother was William Isenbauer, with Jerry Millikin and James Blaauw seating the guests.

Mrs. Renaud chose a gold brocade gown and matching coat with brown accessories. Mrs. Isenbauer wore cranberry silk with black accessories. Both mothers had corsages of gold and yellow roses.

An eight-thirty reception was held at the American Legion hall. A buffet dinner was served. Following a honeymoon in the upper peninsula, the newlyweds are at home at 468 Millikin Road in Grayling.

Here to attend the wedding and reception were the Gilbert Hess family of Dearborn, Mr. and Mrs. Arthur Mayer, Frederic, Mr. and Mrs. Gilbert Hess of Taylor, the Roger Nelson and Gary Pettyjohns of Grand Rapids, Mr. and Mrs. Robert Williams, Breckenridge, Mr. and Mrs. Shirley Baumgarten, Warren, Mr. and Mrs. Val Baumgarten, East Detroit, Mrs. Margaret Baumgarten, Mr. and Mrs. Mason Dutton, Mr. and Mrs. George Ostling, Mr. and Mrs. Stanley Kile, all of Roscommon, Charles Isenbauer, Dwight Isenbauer and Lynn Sutton all of Manchester.

Cheerleaders Try Out At Frederic High School

Unusually spirited competition took place in the tryouts for Jr. High and Varsity Cheerleaders at Frederic High School.

Our thanks to teachers Mrs. McMahon, Mrs. Agin, Mrs. Persing, and Tom Koernke, student representative, for being judges for this occasion.

Sr. High — Gayle Post, Mary Jo Bindschattel, Moreen Canfield, Alma Alma, Judy Weaver, Alternate Janet Canfield.

Jr. High — Patty Hulbert, Marcie Kaiser, Pam Spaulding, Bobby Jo Hinkle, Wendy Harmer, Alternate Debra Post.

The Frederic High School girls are in the basketball scene again this year. They are working hard to produce a winning team. A

strong defense composed of Junior: Linda Weaver, Kay McDermott, Carol Straley, backed up by the shooting ability of Senior, Andrea Harmer and Sophomores Janet Canfield and Gayle Post should provide plenty of competition for the opposing teams.

Other members of the team include: Ann Hulbert, Judy Weaver, Denise Welch, Helen Babbitt, Mary Jo Bindschattel, Mary Valdeck and Alma Alma.

Jr. High squad is comprised of: Capt. Max Tobin, Guard: John Redman, Guard: Mike Jungman, Center: David Bears, Forward: Murray Babbitt, Forward: David Meyers, Guard: Tom Middleton, Center: Mike Murphy, Forward: Craig Verlinde, Forward: Jim Shaffer, Forward: Pat Lozon, Forward: Danny Vollmer, Guard.

The Busy Bees 4-H club held its third meeting on November 4, 1965 at the Home Economics room of the Grayling High School. The girls in this club are Carol Mitchell, April Thayer, Louise Kent, Gail Fuller, Polly Jensen, president, Vicki Anthony vice-president, Ricky Ann Nelson secretary and treasurer, Susan Madson game chairman, Donna Wakeley reporter. Our leaders are Mrs. Leonard Jensen and Mrs. Roy Boone. We had a Halloween party at the multi-purpose room of the Elementary School, attended by all.

man and hopes that you plan to attend.

The Christmas project this year is to purchase a television for the patients in the State Home at Grayling. In previous years the group wrapped individual gifts which were donated by the nurses and interested citizens for the patients. The district nurses urge everyone who is interested in this "Project TV" to help in giving a donation to Miss Mary Noe at Grayling Mercy Hospital.

Following the meeting the group enjoyed some very interesting remarks by Dr. Godfrey, a skin specialist in the Roscommon Clinic, regarding skin diseases and their treatment.

The next meeting will be held December 7 at the Mercy Hospital in Grayling.

PTA Renews Invitation: Join Now!

As 50,000,000 American
children move forward in
the current school year,
their parents and teachers
will receive an invitation, is-
sued to the nation, to join
the PTA.

The National Congress of
Parents and Teachers now
has under way its annual
membership enrollment,
aiming to add new mem-
bers as it tackles 11 "critical
issues" that affect chil-
dren today — issues such as
financing public education,
educating for a changing so-
ciety, helping disadvantaged
children, waging the peace and
coping with the responsibility of
parenthood, including sex educa-
tion.

This undertaking, to be carried
out in a three-year action pro-
gram, "will tax PTA resources
to the utmost," says National
PTA President Mrs. Jennelle
Moorhead. "It is not too much
to say that the outcomes of these
issues will have far-reaching,
fateful consequences for our
nation and its children."

A sample of the PTA's effec-
tiveness in action—specifically,
action to help disadvantaged
children—was its Books for Ap-

palachia program of early 1965,
when, in five months, PTA's
throughout the country collected
more than 1,100,000 children's
books and sent them, in bookcase
boxes, to the hundreds of barren,
one- and two-room schools in the
Appalachian mountains.

"This was a special project,"
Mrs. Moorhead recalls, "and our

Magazine, used as a basic text by
PTA-sponsored study-discussion
groups in many communities. In
other scheduled articles, parents
will be given suggestions on how
to prepare for a conference with
the teacher, as well as challeng-
ing views on IQ tests, ability
grouping and student cheating.

The PTA's official magazine
also provides regular services to
thoughtful parents: previews
of motion pictures—graded for
children, adolescents and adults;
reviews of television programs
along with names of their spon-
sors; regular reports on "what's
happening in education" and
news of medical developments
that affect children's health.

All is information that will be
used by PTA's as they program
their current attack on critical
issues. Other matters on that
action calendar are equalizing
educational opportunity; clarify-
ing the responsibilities for
educational decision-making; ex-
tending and strengthening com-
munity services.

Combating moral, spiritual,
and civic apathy; eliminating
certain health and safety haz-
ards and safeguarding individ-
ual rights and liberties.

18% In Local Area of Foreign Stock

(Special to the Avalanche)

NEW YORK — How many peo-
ple from foreign lands have set-
tled in Crawford County in the last
50 years or so?

How does the proportion of for-
eign-born in the local population
compare with that in other areas?

Special interest centers in these
questions because of the passage
of the new immigration bill, which
does away with the 4-year-old
system of admitting people from
other lands on the basis of nation-
al quotas.

Figures compiled by the De-
partment of Commerce and data
presented during the lengthy
Congressional debates show just
how the immigrants who have
entered the United States in re-
cent years have distributed them-
selves throughout the country.

Most of them have taken up re-
sidence in the large metropolitan
areas, especially in the East.
Crawford County, it is shown,
has acquired fewer of them, in
proportion to its population, than
have most communities in the
United States.

Locally, those of foreign stock

constitute 17.7 per cent of the to-
tal population.

Those classified "of foreign
stock" include persons born
abroad as well as those born in
this country, whose parents,
either or both of them, are of
foreign birth.

Elsewhere in the United States,
by way of comparison, 19.0 per
cent are of foreign stock and, in
Michigan 24.3 per cent.

The great bulk of the local pop-
ulation, 82.3 per cent of them, are
native-born Americans, going back
three generations or more.

The new law admits immi-
grants on the basis of their
skills and of their close rela-
tionship to people already here.
Within certain limitations, coun-
try of origin is no longer a con-
sideration.

In one respect, the law has been
tightened. From now on, aliens
seeking to enter the United States
to take jobs here will be admit-
ted only if the Labor Department
certifies that there are no Ameri-
cans available to do the particu-
lar work.

It must also certify that the im-
migrant workers are not likely to
depress the wages and working
conditions of workers in this coun-
try. The new bill puts the burden
of proof on the immigrant.
